Our theme for November is Bears. In Science, we will be learning about different bear species and their characteristics. In Language Arts we will be reading about Winnie the Pooh, Paddington, and Corduroy. In Math, the students will bring in a stuffed animal to sort and compare animals with a friend.

This month we have set up a stuffed animal hospital. Students are welcome to bring their stuffed animals into the hospital. We will be going on a walking field trip to the Veterinarian's Office on Thursday November 5. We will be leaving the school at 9:00 and returning by 10:30. Please let Mrs. Mitchell know if you can help supervise on this field trip.
